Dear Ms. Hartz,

At their meeting on February 5, 2018, the Nelson County Board of Zoning Appeals (BZA) unanimously voted to dismiss the following variance requests for the Atlantic Coast Pipeline (ACP) to cross designated floodplains in Nelson County due to lack of standing:

2018-001: South Fork Rockfish River
2018-002: Spruce Creek
2018-003: South Fork Rockfish River AR
2018-004: South Fork Rockfish River 2
2018-005: UNT of Rockfish River 1
2018-006: Davis Creek
2018-011: James River

The BZA took further action to ensure that any properties not directly addressed in the motions were included in the dismissal of the requests for variances.

In addition, the BZA unanimously voted to grant the following deferral requests made on January 31, 2018 for the ACP to cross designated floodplains in Nelson County until such time as the additional information requested by Nelson County on behalf of the BZA is provided:

2018-007: Muddy Creek
2018-008: UNT of Rockfish River 2
2018-009: Falls Run
2018-010: Dutch Creek

Please feel free to contact me at any time if you have questions or concerns about this matter.

Thank you,
